For any company looking to increase their internet exposure and employee leads, I heartily recommend Jeff and his staff at Myhealthjobs. Since we have been using their services, our leads have increased dramatically. In addition to the high ROI, the customer service at myhealthjobs is excellent. Jeff has always been available to answer my questions, give recommendations and solve any technical issues that arise with our job feed. Thank you so much Jeff and your staff!

To Whom It May Concern:

We have been a client of MYHEALTHJOBS.COM and Jeff for the last year. My experience in dealing with Jeff is that he has a wealth of knowledge and is a professional in the field of Healthcare Recruitment. He is absolutely generous with his time and his dedication to assisting his clients with every aspect of the business of internet recruiting from placing the advert, to managing your account online and has even assisted me with technical issues in the past. Jeff has a way of making a friend out of a client and ultimately making you feel like you are in the capable hands of someone who cares about your business and is there to help you do well. I have no hesitation in referring potential clients to this site.
